

FOX HILLS COMMUNITY MOBILITY **OPEN HOUSE**

When: Wednesday, December 20, 2017
6:30 pm – 8:30 pm

Where: Sheraton Four Points
5990 Green Valley Circle
Culver City, CA 90230

Why:

HSH Management, the applicant for the Bristol Parkway project, invites you to a community open house to discuss mobility and transportation issues in and around Fox Hills. Renowned mobility experts from Sam Schwartz Engineering will be present to facilitate and receive community input on issues of parking, traffic, mobility, transportation demand management and pedestrian/bike safety. Information we receive at this meeting will assist our team in designing parking, mobility, and transportation demand management programs to be included in the proposed Bristol Parkway project, to be presented at the next Community Meeting.

RSVP Requested:

If you can attend, please respond by Monday, December 18 by phone to (323) 900-5602 or via email to fhbristolparkway@gmail.com.

Light refreshments will be served. Free parking available at Fox Hills Plaza.
