

Culver City Police Department

<http://local.nixle.com/culver-city-police-department/>

The City of Culver City and its emergency services use Nixle to notify users of missing persons, to evacuate residents or businesses in times of an emergency, to capture dangerous criminals, and more. The alerts are sent out in emails, text-like messages, and telephonically.

Option #1- If you are only interested in receiving text messages from the Culver City Police Department, text **CCPD** to 888777.

Option #2- If you would like to receive text messages from the Culver City Police Department and surrounding agencies, text your **zip code** to 888777.

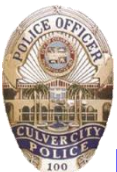

Option #3- Visit the above website to receive emails and personalize your Nixle account.

Crime Mapping:

The Culver City police Department has partnered with other surrounding law enforcement agencies to share crime statistics information. The crime statistics can be found on our webpage at www.culvercitypd.org or visit www.crimemapping.com . Once on the crime mapping site, select Culver City in the drop down box at the top of the screen. You can control the scope of your search by selecting crimes reported by agencies, a time frame by date, and type of crime. The statistics are updated daily and can be viewed in a map or list format. Each icon that shows up on the map represents a specific crime and you can click icon to see the details. See the below illustrations:

Building Safer Communities

This portal is dedicated to helping law enforcement agencies provide the public with valuable information about crime activity by neighborhood. Our goal is to assist police departments in reducing crime through a better informed citizenry. We work directly with each agency and never scrape data from other sites!

THE OMEGA GROUP

We have been working with law enforcement agencies throughout North America since 1992. Hundreds of police and sheriff's departments are currently using one of our solutions for their intelligence led policing needs. Find out more about us, [here](#).
